MANAGER'S CORNER

Spring is in the air and things are starting to come alive. Many residents ask what they can do to keep their grounds in good shape and not get yard violation tickets. All the rules for grounds maintenance are listed in your Community Handbook. A short version is to keep your back yard mowed with grass not exceeding 5 inches. Your flower beds should be free of weeds and your mulch should be freshened up when needed. The grounds around your home should stay free of toys and debris so the landscapers can manicure the lawn with ease. Please don't leave trash or debris piled up around your home since this is an invitation to unwanted pests that can invade and damage your home. Remember, these simple requests keep our community beautiful and safe for everyone. Our valued residents play an important role in creating an exceptional sense of community at a Keesler Family Housing.
