## Manager's Corner

Welcome to the monthly Newsletter!

We want this newsletter to be valuable for you so please share your feedback and suggestions to help us improve. We received some feedback about speeding in the Neighborhoods. Please know that we have been working with our amazing Security Forces teams to make sure that all neighborhoods are patrolled more often and that speeding is not tolerated. Our staff will be out in the community promoting safety in all Neighborhoods this month. Let's continue to keep our Community safe. Be cautious and slow down.
