KEESLER INSIGHTS NEWS & STORIES

KEESLER FAMILY HOUSING

Our President's Message

As we all prepare for back-to-school, we want to help support you and your children in whatever form their educational experience takes this year. In 2019, on average, families spent close to \$700 per student for school supplies. In addition, many schools also asked parents to contribute up to \$100 per

family for general use classroom materials. When combined with other childcare costs, many military families face difficult choices about whether to purchase other essential items for their family, including clothing and food. This year, the Hunt Heroes Foundation, in partnership with Operation Homefront, will distribute 3,700 backpacks filled with much-needed school supplies to military families at each of our communities. We are proud to be partnering with this well-respected national non-profit who last year provided backpacks to over 43,000 military children across the U.S. Watch for more information in the coming days about this effort and how you can apply to receive school supplies for you child. As we move ahead together and navigate these uncertain times, we remain committed to serving you and your families.

Best,

John Ehle

Manager's Corner

As more people return to the workforce and try to resume their daily lives, the threat of exposure to Covid-19 increases. Please do not let your guard down. It is important to stay diligent with social distancing, wear a mask, and wash your hands.

We are currently abiding by the guidelines of COVID-19 for the safety of all residents and employees, therefore the office entry is by appointment only. All staff is required to wear a mask in the office as well as out on the property during work orders. Let's all stand together and keep a safe environment for us all!
