

Yard of the Month Winner

Our President's Message

In the Spring of 2020, we partnered with Blue Star Families in a campaign to collect the most ingenious MilFam cleaning hacks. It was such a hit that we're doing it again this Fall! AND all of the finalist videos in that competition can be found at: bluestarfam.org/milfamspringclean.

There are so many great tips there for you to check out! Stay tuned for more information in the coming days on the Fall version where we'll be collecting even more great ideas. We are proud to partner with Blue Star Families and want to encourage you to take full advantage of all the great (and free!) programs and services this awesome organization has to offer. You can find a local chapter, peruse career opportunities geared towards military spouses, find great activities for your kids, or participate in their many virtual programs by going to: bluestarfam.org. From all of us at HMC, I hope you and your family continue to remain safe and healthy.

Best,

John Ehle

Helpful Maintenance Tips to Follow

Maintaining Your Air Conditioning & Heating System

- Change the air filters in your home on a regular basis. The Maintenance Department provides air filter replacements free of charge. Contact 855-452-3499 for information on where to get filters for your home.
- Promptly notify the Maintenance Department about any air conditioning or heating problems you encounter.
- Heating and cooling temperature settings are dependent on your regions and vary greatly. Therefore, to understand your temperature range, please contact your maintenance department.
- Leave ceiling fans on low to keep air circulating throughout the home. This will control the amount of humidity inside the home and can prevent water intrusion in the form of burst pipes.

If you have concerns with your home regarding moisture related issues, please contact us. Thank you so much for choosing to live in Keesler Family Housing. Housing Office: 228-374-5336 Maintenance Office: 855-452-3499
