Managers Corner: Are you prepared for Hurricane Season???

June through November is the hurricane season for the southeastern United States. As we approach hurricane season it's best to be prepared. Below is a list of basic supplies to have in the event of a hurricane.

- *Flashlight/Batteries
- *Battery Operated Radio with extra batteries
- *Water- at least 1 gallon daily per person for 3 to 7 days
- *Food-enough for 3 to 7 days. Non-perishable & canned food
- *Cooking tools, fuel, paper plates, paper towels, utensils, and snacks
- *Clothing- seasonal, rain gear, sturdy shoes
- *First aid kit, Prescriptions, Toiletries, Cash, Keys, Tools
- *Important documents in a waterproof container
- *Disaster Services- Fema, Red Cross, & Salvation Army

Our President's Message

From all of us here at Hunt Military Communities, I want to wish all the fathers out there the sincerest Happy Father's Day. Whether you are serving far away or close to home-or supporting a spouse who is active duty-your commitment to your country and families is admirable. We look forward to honoring you this month. In May, Hunt Military Communities teamed up with wear blue: run to remember in organizing Memorial Day virtual rum/walk in our communities. Wear blue: run to remember, a

national, nonprofit organization is committed to building a running community that honors the service and sacrifice of the American military. This year, wear blue hosted the vent as virtual run/walk, enabling runners and walkers from all over the U.S. to continue on the mission- to honor our nation's fallen by learning their stories, speaking their names out aloud and honoring their legacies. Runners and walkers were encouraged to participate on an individual basis and became part of a living memorial to America's fallen heroes and showed of support for the families they left behind. Hundreds of HMC employees and residents participated in the event across the U.S. Thank you to all who ran, walked, and supported this worthwhile event. It is because of your dedication to the cause we are able to honor and recognize our American fallen heroes in such a thoughtful way.

Best,

John Ehle

MAINTENANCE TIPS FOR THE A/C UNIT

Keeping the thermostat set between 72-78 will help maintain a healthy functional HVAC system. Dropping the temperature down lower can cause the potential for units freezing up or other easily avoidable situations. Please keep windows closed while unit is on.

MAINTENANCE

855-452-3499

Monday-Thursday 0800

We will continue to take maintenance requests for emergency, urgent, and life, health, and safety concerns. We are postponing responses to routine work orders and preventative maintenance inside homes until restrictions are lifted. We are happy to drop-off any self-help items such as light bulbs and filters. Please Note: Watch your emails for upcoming updates in regards to routine work orders.
