Our President's Message

April is the Month of the Military Child and during this month especially, Hunt Military Communities celebrates the youngest members of our communities. The smallest warriors, the children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long periods, along with many other challenges military families face. We are proud to acknowledge and support the tremendous strength and resiliency children of our

military families display. This year, for the first time, we are launching "Hunt little Heroes." We ask that your children share stories of what they think it takes to be a hero and how they've been a positive influence in their community. Applicants are asked to submit a 300-word essay, a video no longer than 2 minutes, or a drawing telling their "Hero Story" in their own unique way. For the "younger" hero's, a photo with a short blurb may also be submitted. All applicants will receive a complimentary Hunt Little Heroes cape and mask. Each selected Hunt Little Hero will act as "Hero for the day" at a special celebratory event at their local Hunt community in honor of Month of the Military Child. Applicants can visit <https://www.huntmilitarycommunities.com/> our communities to see whether they qualify and to submit their story. From all of us here at HMC, that you for your service and sacrifice.

Best,

John Ehle

Manager's Corner

Our virtual offices are open and we are ready to help! While our physical offices may be closed, we encourage you to call, email, visit our website, or stay connected with us on social media. To comply with CDC guidance to practice social distancing and avoid large gatherings, we have closed our amenities to include pools, playgrounds and community centers to limit unnecessary risk. However, you can get outside and enjoy the great outdoors! While we have had to cancel community events for now, we remain committed to helping our residents find creative ways to stay connected virtually. Be sure to connect with us on social media for activities, support services and latest updates. We have plenty of contests and fun ideas to keep families occupied and inspired during this time. Remember the 6 foot rule while running, walking or biking with your household members. Stay safe during this sensitive time and enjoy your loved ones.
