KEESLER INSIGHTS **NEWS & STORIES**

HAPPY VALENTINE'S DAY

Our President's Message

I am pleased to announce that for the third year, Hunt Heroes Foundation, the non-profit organization founded by Hunt Military Communities, will be awarding scholarships to help enable the ongoing education of military members and their families. Last year we were able to help nine worthy students and awarded \$30,000. Because of the generous donations we received over the

past year, we are able to increase scholarship awards and recognize 15 recipients and award \$40,000 in scholarship grants in 2021. I encourage you to apply if you or a loved one meet any of the following criteria:

A high school senior or high school graduate or a current postsecondary undergraduate at an accredited two- or four-year college, university or vocational school or a trade school student; or

Planning to enroll in full-time undergraduate study at an accredited two- or four-year college, university, or vocational-technical school for the entire upcoming academic year.

For more information and to fill out an application, go to <https://learnmore.scholarsapply.org/huntheroesscholarship>

The deadline to submit a nomination is March 4, 2021 at 3 pm CST or until 50 applications are received, whichever comes first.

We understand the challenges many families are facing during these difficult times and are happy to be able to support the ongoing education of military members and their families.

Best,

John Ehle

Heating and Air Conditioning

Set thermostat at a comfortable setting without fluctuation to maintain consistent climate control. Turning thermostat too high upon returning home will not heat or cool your home quickly. Residents with day-night set back thermostats should consult the instruction manual or contact the NMO for information on how to obtain the most comfortable and efficient settings. If the Premises will be vacant for an extended period of time, (weekends, holidays or vacations) during the heating season, turn thermostat back to the lowest setting, but not lower than 55 degrees to prevent water lines from freezing. Keep doors and windows closed whenever air conditioning or heating is in operation. Use fans and open windows to create a cross draft to reduce air-conditioning use. Keep vents free of obstructions. Check HVAC air filter regularly. The PM will replace the air filter at least every quarter. Should the Resident choose to replace it monthly, please feel free to call the Service Request Line at 855-452-FIXX (3499) to obtain replacement filter.

Friendly Reminder

Resident shall not park in driveways or carports of any other residence. Resident shall park with the flow of traffic when parking on the street. Under no circumstances shall any vehicle be parked or driven on lawn areas or parked in front of mailboxes. Mail will not be delivered if the box is blocked. All motorcycles must be parked in a garage or use a kick plate. Motorcycles are not permitted on sidewalks, in landscaped areas or in the home. Boats, trailers, recreational vehicles, and oversized vehicles are not permitted in the neighborhoods at any time unless NMO has granted written permission. Recreational vehicles must be stored in the RV lot on base, space permitting, or off base. Please call the housing office if you have any questions or concerns.
